

User Interaction Meet – 2026
Earth Observation Systems for Viksit Bharat
– Trends and Challenges
March 13, 2026

Organised by
National Remote Sensing Centre, ISRO
&
NewSpace India Limited, Dept. of Space

Hosted by
National Remote Sensing Centre, ISRO, Hyderabad

PROGRAMME AT A GLANCE

08:00 – 09:30 hrs	Registration (Venue: Opposite to Guest House, Front office)
09:30 – 10:30 hrs	Inaugural Session (Venue: Auditorium)
10:30 – 10:40 hrs	Group Photo
10:40 – 11:00 hrs	Inauguration of Exhibition (Venue: Foyer of 100-Seater Conference Hall)
11:00 – 11:30 hrs	Tea Break & Networking
11:30 – 13:00 hrs	TS-1: Advances in Earth Observation Systems for Viksit Bharat (Venue: Auditorium)
13:00 – 14:00 hrs	Lunch Break
14:00 – 15:00 hrs	TS-2: Perspectives & Initiatives of Space Industry for Viksit Bharat (Venue: Auditorium)
15:00 – 16:00 hrs	TS-3, 4, 5 (Parallel): TS-6: Poster Session TS-3: Advances in SAR Data Processing and Applications TS-4: Advances in EO Data Analytics and Cloud Computing TS-5: Hindi session – विकसित भारत के लिए सुदूर संवेदन आंकड़ा संसाधन और अनुप्रयोग/ Remote Sensing Data Processing and Applications (Venue: Auditorium, 100- Seater Conference Hall, NDC Conference Hall)
16:00 – 16:30 hrs	Tea Break & Networking
16:30 – 17:30 hrs	Panel Discussion & Close Out (Venue: Auditorium)
